Important Notes:

- Price will always coincide with the more expensive of finish selections. (i.e. 030 on outside and 151 on inside - entire product will be priced at 151 price tier)
- Rose and knob/lever finish will always match
- When mixing Knobs and Levers, a lever strength latch will always be included in the hardware pack
- Tahoe product cannot be configured with any style other than Tahoe due to the fact it has different mounting hardware
- Latch finish will always be the inside selection
- Inside handle set finish cannot be mixed
- Inside handle set finish cannot be mixed - deadbolt, knob and rose must be the same finish
- Double cylinder deadbolt is not available with emergency egress function
